- 2.51 Where we require you to advise Clients using alternative communication methods under Paragraph 2.50, we may remove this requirement at any point on reasonable notice to you following our evaluation of the method of delivery.

2.57 Any training must be delivered by a recognised Supervisor unless we have given express permission for specific training to be delivered by another member of your staff.

2.59 As part of your obligation to deliver Contract Work and subject to compliance with the professional conduct rules of your Relevant Professional Body, you must provide such legal services as may be required in relation to Cross-Border Cases as and when they arise during the Contract Period provided that any such Cross Border Case falls within the Category of Discrimination. For the avoidance of doubt, in the event that a Cross-Border Case does not fall within such Category of Law then provided you have the necessary expertise to conduct the Case then such matter shall be treated as Miscellaneous Work.

USER SATISFACTION

- 2.60 You must carry out a rolling programme of User Satisfaction surveys at the conclusion of all Cases where you provide legal advice. For the avoidance of doubt, this excludes those matters that don't proceed past the Determination stage. You will be required to maintain an average User Satisfaction rating of 85% for the delivery of legal advice in accordance with KPI 8.

The User Satisfaction survey will include consideration of:

- (a) whether the service was approachable and friendly;
- (b) whether the Client was kept appropriately informed in relation to their case;

- (d) whether matters were managed in a competent and timely manner.

We reserve the right to conduct independent User Satisfaction surveys of a Client experience of receiving legal advice through the service as and when required either directly or through third parties such as the CLA Operator Service.

SECTION 3 GENERAL PROVISIONS

General powers – Controlled Work

- 3.1 For Controlled Work, the decisions to provide services are taken by you on behalf of the Director. You must report all Controlled Work Case outcomes promptly, fairly and accurately in accordance with Annex 3 (Payments and Disbursements) and the CLA Operations Manual.

Procurement Areas

- 3.2 Where you are permitted to undertake Contract Work in the Discrimination Category of Law pursuant to this Contract, without limiting the other requirements under this Contract, you will be required to provide Face-to-Face Advice in that Category of Law (including through Agents, where applicable, as provided by Paragraphs 4.4 to 4.7) in each of the following Procurement Areas:

- London
- North East
- Midlands and East of England
- South East
- North West
- South West
- Wales

- (a) from either an Office or alternative, 'local' arrangement (as required by Paragraphs 4.28 to 4.31, as applicable);
- (b) in exceptional circumstances, by travelling to see the Client (acting in accordance with the provisions of clause [4.32]);
- (c) Not used;
- (d) by making a referral to a suitable Agent
- (e) by video conferencing or Skype in accordance with the conditions of this Contract and/or
- (f) Not used.

- 3.3 Where Face-to-Face Advice is required in accordance with this Contract, Clients must be offered a face-to-face appointment in their own Procurement Area, or another Procurement Area if more convenient to the Client. These appointments must be within 2 Business Days of a request where there is an urgent need for an appointment or within 5 Business Days of a request where there is no urgent need.

Provision of Information

- 3.4 If you have provided Contract Work to a Client and that Client chooses to instruct another CLA Provider (due to a complaint being upheld in accordance with Annex 6 (Complaints)) or a Face-to Face Provider (due to representation becoming necessary or because Paragraph 1.9 can no longer be met) in relation to the same matter or issue, you are required, on request from the new CLA Provider or Face-to-Face Provider and only with the consent of the Client, to give to the new CLA

Provider or Face-to-Face Provider the Client's file, or a copy, and reasons for the termination of the retainer, as soon as practicable.

Misrepresentation

3.5 If you know or suspect that a Client has:

- (a) failed without good reason to provide information or documents relevant to either your decision to carry out Controlled Work or the Director's determination that the Client qualifies for civil legal aid provided as Licensed Work; or
- (b) in providing required information or documents in relation to Contract Work has made a statement or representation knowing or believing it to be false,

then you must immediately cease work and report the relevant circumstances to your Contract Manager.

3.6. The Application Form signed by the Client will incorporate an agreement by the Client to repay to us any costs we pay out to you in the Case, in the event of the Client having withheld or misrepresented information with the intention of appearing to qualify for Contract Work.

Payment Other than Through the Contract

3.7. Except as otherwise provided by us you must not charge a fee to the Client or any person for the services provided under this Contract or seek reimbursement from the Client or any other person for any disbursements incurred as part of the provision of such services.

3.8. Where you have been carrying out Contract Work on behalf of a Client, you must not accept instructions to act privately in the same matter from a Client unless you have advised the Client in writing of:

- (a) the consequences of ceasing to be in receipt of Legal Aid; and
- (b) any further Legal Aid services which may be available, whether from you or another CLA Provider or Provider.

3.9. You must not ask your Client to instruct you on a private basis simply because your costs exceed the amount we will pay you under this Contract for the relevant Case.

3.10. Where a Client elects to instruct you privately in relation to a Case in which you have been providing Contract Work, a copy of the letter dealing with the matters required by Paragraphs 3.8 and 3.9 must be kept on the file.

3.11. Subject to Paragraph 3.15 you cannot be retained to act for the Client in the same Case under this Contract and on a privately paying basis at the same time.

3.12. You may charge privately for civil legal services which are not described in Part 1 of Schedule 1 to the Act (including for making an application for a determination under section 10 of the Act). If the Case later becomes an Exceptional Case you may not charge privately for any work which becomes

payable under Legal Aid pursuant to a determination under section 10 of the Act. For the avoidance of doubt, where you have already received payment from the Client for work which has become payable under Legal Aid pursuant to a determination under section 10 of the Act, you must refund such payment to the Client.

- 3.13. Subject to Paragraph 3.14, all payments for Contract Work must come through us, except:
- (a) where the statutory charge in your favour arises; or
 - (b) where you are responsible for collecting a contribution that is payable.
- 3.14. This Paragraph represents our authority pursuant to section 28(2)(b) of the Act, for you to receive payment from another party under a Client's costs order or Client's costs agreement (as defined in Legal Aid Legislation) and to recover those costs at rates in excess of those provided for in this Contract or any other contract with us. This applies in respect of both Licensed Work and Controlled Work and applies also to costs recovered in respect of Counsel's fees. It also applies notwithstanding any Costs Limit on a Certificate in Licensed Work cases.
- 3.15. Paragraph 3.14 does not entitle you to take any form of enforcement action. This must be specifically authorised under Legal Aid Legislation.
- 3.16. Where an order or agreement for a sum of money is payable to the Client, in which the proportion of the sum that represents the damages and the costs are not specified, we do not authorise you to retain any part of the sum, and you must claim the costs of any relevant work from us under the provisions of this Contract.

Transitional Provisions

- 3.17. In relation to fees and remuneration rates, the terms of this Specification apply to all Cases commenced by you on or after the Service Commencement Date. For the purposes of this rule you "commence" a Case when you accept a Case on the Case Handling System after referral of the relevant Case from the Operator Service in each case following completion of the initial steps detailed in Paragraphs 2.12 to 2.22.
- 3.18. Subject to Paragraph 3.17 and any Category Specific Rules the provisions of this Specification (including any procedures for assessing remuneration) will apply to all work on Cases undertaken on or after the Service Commencement Date.

SECTION 4 SERVICE STANDARDS

4. General

- 4.1. This part of the Specification sets out Service Standards which must be met when carrying out Contract Work, in addition to those set out in Category Specific Rules. Compliance with these Service Standards may also be taken into account in future invitations to tender for contracts for Legal Aid.
- 4.2. Service Standards must be complied with by you as a whole organisation and by each of your Offices, unless we agree otherwise.

The Right to do Contract Work

- 4.3. Your right to undertake Contract Work under this Contract is dependent on:
 - (a) you holding the Quality Standard set out in your Contract for Signature throughout the Contract Period; and
 - (b) the appropriate Category of Work being specified in your Contract for Signature;
 - (c) you not being prevented from carrying out such work under any other provision of this Contract.

Use of Agents, Counsel and Approved Third Parties

- 4.4. You may instruct Agents, Counsel or Approved Third Parties from time to time to carry out or assist with your delivery of Contract Work where you are satisfied that it is in the interests of your Client to do so and, subject to your compliance with the rules on working with third parties in Clause 3 of the Standard Terms. Provided always that you retain ownership and responsibility for all Cases worked on by Counsel, Approved Third Parties and/or Agents, and specifically in relation to Approved Third Parties and Agents:
 - (a) you may only instruct an Approved Third Party or Agent if the Case relates to Discrimination Category of Law and for the delivery of Face-to-Face Advice; and
 - (b) the Approved Third Party or Agent satisfies all the conditions set out in Paragraph 4.5.
- 4.5. The conditions referred to in Paragraph 4.4 are that:
 - (a) the Approved Third Party or Agent's work is subject to your supervision;
 - (b) the Approved Third Party or Agent's work is covered by your insurance;
 - (c) work entrusted to an Approved Third Party or Agent is undertaken in accordance with the terms of the Contract;
 - (d) you retain responsibility for each Case undertaken by the Approved Third Party or Agent; and

- (e) Cases undertaken by the Approved Third Party or Agent are not referred to a separate organisation.
- 4.6. Where you instruct an Approved Third Party or Agent you must claim payment for the work as if you had carried it out directly.
- 4.7. Unless we have specified otherwise, you may not rely on the use of any Agent or Counsel as evidence of satisfying any of the Service Standards in this part of the Specification.

Supervisor Standards

- 4.8. You must (unless Category Specific Rules specify otherwise):
 - (a) have at least one full time equivalent Supervisor in each Category. For the purpose of this Paragraph 4.8 "full time equivalent" means the equivalent of one individual working 5 days a week and 7 hours on each such day (excluding breaks); and
 - (b) such person (or such persons) must be either one of your employees or a director of or partner in or member of your organisation (where you are a company, partnership (other than an LLP) or LLP respectively) and must at all times during their working hours (except as required for the proper performance of their role such as attending court and/or Clients) work from the Office specified in your Contract for Signature.
 - (c) Subject to Paragraphs 4.21 to 4.22, if you cease to meet the requirements of this Paragraph 4.8 your right to undertake work in the relevant Category will cease. Any breach of this Paragraph 4.8 shall be a Fundamental Breach.
- 4.9. To qualify as a Supervisor for the purposes of any Category of Law under this Contract a person must for the duration of this Contract:
 - (a) comply with the Case Involvement Standard in that Category as set out at Paragraphs 4.12 to 4.14;
 - (b) comply with the Supervision Standards set out at Paragraphs 4.15 to 4.20;
 - (c) comply with the Legal Competence Standard for that Category as set out in the Category Specific Rules. The Legal Competence Standard will be measured as at the time a person makes the application as a Supervisor and at any point during the Contract when we request confirmation of compliance with the Supervision Standard. The Supervision Standard is also set out fully in the Supervisor self-declaration forms for each Category; and
 - (d) be either one of your employees, or a director of, or partner in or member of your organisation (where you are a company, partnership (other than an LLP) or LLP respectively).
- 4.10. If any Supervisor ceases to comply with the requirements of Paragraph 4.8, or fails to perform their duties as a Supervisor in a timely manner and with all reasonable skill, care and diligence, you will notify us and such member of your personnel must immediately cease acting as a Supervisor.

- 4.11. A Supervisor may delegate some functions to one of your employees who does not meet all the requirements in Paragraph 4.8(a) to (c) to act as their deputy supervisor. However, the Supervisor must continue to supervise the deputy supervisor who must have a training and development plan to provide the necessary skills and experience to become a Supervisor in future.

Case Involvement Standard

- 4.12. Subject to Paragraph 4.13 below, all Supervisors must meet, in the relevant Category of Law, a minimum Case Involvement Standard of 350 hours in each of the last three years. There are minimum and maximum allowances by which Supervisors can meet the 350 hours and they are as follows:
- (a) direct (personal) casework (this may include direct (documented) supervision) – minimum of 235 hours (of which direct (documented) supervision cannot make up more than 120 hours);
 - (e) file review (including face-to-face) – maximum 60 hours (i.e. approximately 50% of 115 hours);
 - (f) external training delivery (meeting any professional development requirements of your Relevant Professional Body) – maximum 115 hours;
 - (g) documented research and the production of publications - maximum 115 hours; and/or
 - (h) other supervision - maximum 115 hours.
- 4.13. If a Supervisor works part time, then to meet the Case Involvement Standard the Supervisor must have undertaken a total of 1050 hours over the last five years. This requirement is subject to the same minimum and maximum allowances set out in Paragraph 4.12, adjusted pro-rata.
- 4.14. The Case Involvement Standard will be measured as at the time you appoint a person as a Supervisor and at any point during the Contract when we request confirmation of the Case Involvement Standard.

Supervision Standards

- 4.15. All Contract Work must be supervised by a Supervisor in the relevant Category of Law.
- 4.16. All Supervisors must have experience of at least one case where they have demonstrated their ability to recognise the possibility of a contravention of convention rights under the Human Rights Act 1998 (as amended) and meet one of the following supervisory skills standards:
- (a) has supervised in the relevant Category of Law at least one full-time Caseworker (or equivalent) for at least one year in the previous five year period;
 - (b) completed such training covering key supervisory skills that we approve from time to time in the previous 12 months period;

- (c) completed the Level 3 or higher National Vocational Qualification (NVQ) standard (or any replacement from time to time) in supervising in the previous five-year period.
- (d) the skills and standards stipulated in section 10.

The Supervisor Standard in this Paragraph 4.16 will be measured as at the time a person becomes a Supervisor and at any point during the Contract Period when we request confirmation of the Supervisor Standard.

- 4.17. A Supervisor must ensure that all persons performing Contract Work have a professional legal qualification or, where a professional legal qualification is not required in respect of Contract Work, such persons must perform a minimum of 12 hours' work each week in the relevant Category of Law.
- 4.18. Arrangements must be in place to ensure that each Supervisor is able to conduct their role effectively including but not limited to:
 - (a) designating time to conduct supervision of each Caseworker, either face to face or via remote methods, e.g. email or telephone;
 - (b) without limiting Paragraph 4.8, designating time to be in each Office where Contract Work is being conducted; and
 - (c) ensuring that the level of supervision provided reflects the skills, knowledge and experience of each Caseworker.
- 4.19. Each Supervisor must conduct file reviews for each Caseworker they supervise. The number of file reviews must reflect the skills, knowledge and experience of the individual. The Supervisor must record the outcome of files reviews, together with the details of corrective action taken (if any).
- 4.20. Without limiting Paragraph 4.8, where a Caseworker undertakes Contract Work in the same location as their Supervisor, the Supervisor must conduct, as a minimum, face-to-face supervision at least once per calendar month.

Temporary Supervisor Absence

- 4.21. If a Supervisor is for any reason temporarily unable to act you may for a period of up to 6 weeks either:
 - (a) nominate a Caseworker who does not meet all the Supervisor requirements (as defined in Paragraph 4.16) to supervise; or
 - (b) nominate an external Supervisor to supervise.
- 4.22. If you estimate that your Supervisor may be unable to supervise for more than 6 weeks, or following completion of the 6-week temporary period described in Paragraph 4.21 above the Supervisor is not able to resume supervision, you must immediately inform your Contract Manager who will decide at their reasonable discretion what you must do to comply with the Contract. This may include:
 - (a) extending the use of an employed Caseworker as Supervisor for a limited period;

- (b) formalising the external supervision arrangement for a limited period;
- (c) by written notice specifying that you must put in place another employed Supervisor by such period as the notice specifies; or
- (d) applying a Sanction.

Minimum Supervisor Ratios

- 4.23. A Supervisor must not supervise more than four Caseworkers across a maximum of two Offices. For the avoidance of doubt a Supervisor may only be employed on a full-time basis by one Provider. In each Category specified in your Contract for Signature you must, without limiting Paragraph 4.8, maintain a ratio of having at least one full time equivalent Supervisor for every four full time equivalent Caseworkers at each Office from which you are carrying out work in that Category. Such Supervisors must actively supervise such Caseworkers. For the purpose of this Paragraph 4.23 "full time equivalent" has the meaning as in Paragraph 4.8(a).
- 4.24. For the purpose of Paragraph 4.21 and subject to Category Specific Rules, a 'Caseworker' means a person other than a Supervisor who:
- (a) is either an employee or is an Approved Third Party or Agent who complies with all the conditions set out at Paragraph 4.4;
 - (b) regularly undertakes civil legal advice work in the relevant Category (unless the Caseworker holds a professional legal qualification he or she must undertake a minimum of 12 hours advice work each week in the relevant Category); and
 - (c) is a fee-earner to whom a specific caseload of Contract Work in the relevant Category is allocated and who is responsible for the progression of those cases (under supervision).
- 4.25. Individuals who only undertake administrative tasks (which you may not claim for under this Contract) or only conduct triage (early diagnosis of an individual's overall legal problems prior to a matter being opened), are not Caseworkers for the purpose of this definition.

Exclusive Categories of Work

- 4.26. All Categories of Work are exclusive under this Contract. Your Contract for Signature must permit you to undertake work in that Category.

Overlapping Categories

- 4.27. Certain Cases may fall within more than one Category, in which case you can choose which Category to carry the Case out in, in accordance with the Category Definitions 2018.

Presence in Procurement Area

Offices

- 4.28. For the purposes of carrying out Remote Advice, an Office must be a building which is suitable to cater for the needs of your personnel, enabling you to satisfy all relevant Health and Safety and equality legislation, the Quality Standards and Service Standards of this Contract and to protect Client confidentiality and comply with the requirements of Good Industry Practice. An Office must be a secure location suitable for the storage of Client files, have the appropriate equipment to deliver services and be suitable to undertake work to progress a Client's Case. Hotels, vehicles and other temporary or movable locations do not count as Offices or satisfactory premises referred to in 4.32 below for these purposes.
- 4.29. We may during the Contract Period permit you to carry out Remote Advice from alternative locations other than your Office(s) in exceptional circumstances if you can demonstrate to our satisfaction that you can continue to comply with Paragraph 4.28 and Annex 4 (IT Requirements, the CMS and Business Continuity) as well as any additional requirements we may specify to ensure appropriate levels of security are maintained.
- 4.30. Where we provide written approval for you to carry out Remote Advice from locations other than your Office(s), we reserve the right to revoke such approval with immediate effect where we have concerns in relation to your compliance any term of this Contract or any condition imposed as a condition of us granting approval for remote working etc.
- 4.31. For the purposes of carrying out Face-to-Face Advice, an Office or premises as referred to in 4.32 must:
- (a) be a building which is suitable to cater for the needs of your Clients, personnel, Authorised Third Parties and Agents, enabling you to satisfy all relevant Health and Safety and equality legislation, the Quality Standards and Service Standards of this Contract and to protect Client confidentiality and comply with the requirements of Good Industry Practice;
 - (b) be open and accessible to Clients at the arranged meeting time, and it must be clear to the Client at all times which organisation is providing the Face-to-Face Advice;
 - (c) have waiting facilities and at least one private interview room which allow Client confidentiality to be protected;

Local arrangements

- 4.32. For the purpose of Face-to-Face Advice in respect of the Discrimination Category of Law, you do not need to maintain an Office in the Procurement Area and you may deliver Face-to-Face Advice through an alternative arrangement, which includes the following premises, provided they satisfy the requirements detailed in Paragraph 4.31:
- (a) another Provider's Office;
 - (b) the offices of any other supplier of legal services;

- (c) offices of a third-sector organisation;
 - (d) Primary Care premises (for example a General Practitioner's surgery);
 - (e) commercially rented office space;
 - (f) a Government/Court building.
- 4.33. To support these local arrangements, Clients must be able to contact you by telephone and speak to a person in your organisation during Core Hours to arrange appointments and, where appropriate, receive advice in emergency cases. This telephone number may be for an Office outside the Procurement Area but must not be a mobile number, unless the Client's appointment is outside the Business Hours and in which case the mobile number of the individual who is to carry-out the Face-to-Face Advice may be provided. Out of Business Hours, Clients who telephone must be able to access information about opening hours and who to contact in an emergency.

Referral and Signposting Arrangements

- 4.34. You must have appropriate arrangements in operation so that you can refer or signpost a Client or potential Client to another Provider where:
- (a) you do not provide the services the Client requires;
 - (b) there is a conflict of interest between two or more Clients or potential Clients wishing to access your services;
 - (c) you are required to make a referral under the professional conduct rules of your Relevant Professional Body;
 - (d) you have made an assessment under paragraph 1.9 that services should not be provided by Remote Advice and the Client has asked to be referred to a Face-to-Face Provider or the Client has requested face-to-face advice in a category which is not covered by this Contract; or
 - (e) you consider the Case forms part of a wider legal matter and should be transferred to a Face-to-Face Provider authorised in the relevant Category of Law
 - (f) you have made an assessment that Remote Advice is appropriate under Paragraph 1.9 but the Client decides to receive Face-to-Face-Advice as part of the Determination. The expectation is that where a CLA Legal Help new matter start is opened the Client should continue to receive Remote Advice until Paragraph 4.35(b) applies; the Client is or becomes an Exempted Person; or the circumstances of the Client change meaning Remote Advice is no longer appropriate in order to satisfy the requirements of Paragraph 1.9. Unless the reasons in this Paragraph 4.34(f) apply, a Client cannot change their mind and request Controlled Work through a Face to Face provider. If this occurs you must advise the Client that they can't receive Controlled Work from a different Provider in relation to the same matter until 6 months has elapsed unless there has been a material development or change in the Client's instructions or a legitimate complaint has been upheld in accordance with Annex 6 (Complaints).

- 4.35. Where there is any conflict of interest between Clients or potential Client, or where you are required to make a referral under the professional conduct rules of your Relevant Professional Body we would expect that such a referral should be made to one of the other CLA Providers before signposting or referring externally. You must always make a Referral (as opposed to Signposting) where:
- (a) the Case relates to a mandatory Category of Law (as identified on the flow chart above in Paragraph 1.3) and you have assessed that the Client requires Face-to-Face Advice under Paragraph 1.9;
 - (b) the Client requires Legal Representation and this is not authorised under your Contract. You must work on the principle that where representation is necessary Referral is made as early on as possible;
 - (c) you already have an established relationship with the Client and have undertaken work on a current Case or hold relevant Case information or documents and you can no longer help them under this Contract; or
 - (d) a Referral is needed as a Reasonable Adjustment to meet the needs of a Client or potential Client (as applicable) and you cannot meet such needs.
- 4.36. If you need to refer a Client after you already have an established Client relationship, have undertaken work on a current Case or hold Case information or documents, you must inform the Client of the cost implications of referral (if any). Information about advice and assistance already given and any relevant documentation and details of any Reasonable Adjustments required by the Client must be forwarded to the new CLA Provider or new Provider (as applicable).
- 4.37. Where you make a referral to another CLA Provider or other Provider (as applicable) you must ensure, so far as practicable, that such provider is authorised by us to provide services in the Category of Law most relevant to the Client's problem.
- 4.38. Where you refer a Client, such referral should be undertaken in a manner which does not prejudice the Client. You must also keep the Client informed in respect of the progress of such referral. If you are unable (or cease to be able) to perform Contract Work for Clients and you are unable to make any referral to another CLA Provider or Provider, your procedures must ensure that you make reasonable endeavours to ensure that your Clients' rights are protected, that they suffer no damage and they are provided with all relevant information.
- 4.39. When identifying a suitable provider for a Referral wherever possible you must use the LAA approved search facility detailed in the signposting and referral guidance issued by us from time to time. Where there is no suitable provider within the approved search facility you may use your own list of legal service providers that you have produced by area of law, or provide your own recommendation (as long as, in both cases, preference is given to, legal services providers that hold an SQM or LEXCEL and offer a free or low-cost service). Where there is more than one suitable provider any selection between them must be based first on the Client's choice and failing that, on the closest provider to the Client. Your preference for a particular provider should not be taken into consideration.

- 4.40. In circumstances where you are required to make a Referral under Paragraph 4.35 as part of a new Determination, if two separate Face-to-Face Providers refuse to accept the Referral then you may instead provide the Client with contact details for all of the current Face-to-Face Providers in the Discrimination Category of Law or support them to use the LAA approved search facility to find such a Provider. You should document the steps you have taken to refer the Client and the reasons why each of the two Face-to-Face Providers refused to accept the Referral.

DRAFT

5. Scope of Controlled Work

- 5.1. You may undertake Controlled Work for Clients provided it falls within the scope of a Category of Law that you are authorised to undertake in your Contract for Signature, subject to:

- 5.2. Decisions relating to the making and withdrawal of determinations about Controlled Work are delegated to you by the Director in accordance with an Authorisation.
- 5.3. Subject to the terms of your Authorisation you should exercise the Delegated Functions in every appropriate case and these decisions should not be referred to the Director or anyone else to whom he has delegated his determination making function in accordance with an Authorisation. - 5.5. You may only accept an application from an "other person" as specified in regulations 22(5) and 22(6) of the Procedure Regulations if:
- (a) there is sufficient connection between the Child or Protected Party and the other person to ensure that the other person is likely to act responsibly in the interests of the Child or Protected Party; and
 - (b) the other person has sufficient knowledge of the Child or Protected Party, the problem and the Child's or Protected Party's financial circumstances to give proper instructions to you.
- 5.6. Where Controlled Work is carried out under the regulations specified in Paragraph 5.5, the application will be in the name of the Child/Protected Party but signed on his/her behalf. The Application Form should be completed in the name of the Child/Protected Party but signed by the person who is applying on behalf of the Child/Protected Party with an annotation to that effect.

Acceptance of Applications

- 5.7. Subject to Paragraph 5.8, an Application Form for Controlled Work may be accepted by post, fax, email or other such method of communication as we may agree from time to time.
- 5.8. Applications by post may not be accepted where the Client is resident outside the U.K. and:
- (a) such residence is purely temporary and the Client can without serious disadvantage delay the application until they have returned to the U.K., or
 - (b) the services could be applied for on the same matter by a person resident in the U.K., or
 - (c) it is otherwise unreasonable to accept the application.

Financial Eligibility

- 5.9. The thresholds for financial eligibility are those set out in the Financial Regulations.

Means assessment process by you

- 5.10. When you first receive a case from the Operator Service you must assess the prospective Client's means without the accompanying evidence.
- 5.11. You must send the Legal Help Application Form with the request for evidence to the Client to sign and return at the earliest possible opportunity after undertaking the Determination with the Client. This should be sent out to the client via email or post. Where relying on post a stamped addressed envelope or freepost address should be used. The Adviser must inform the Client that if the signed Application Form for Legal Help and requested evidence is not returned the advice will be limited.
- 5.12. You may continue with a Case without the accompanying evidence where, exceptionally, the personal circumstances of the Client (such as the Client's age, mental disability or homelessness) make it impracticable for the evidence to be supplied at any point in the Case. Where you continue with a Case in these circumstances, you must ensure that the Supervisor records on the Case file the exceptional personal circumstances of the Client. For the avoidance of doubt, you may claim for Contract Work spent in connection with this Case (in accordance with Annex 3 (Payments and Disbursements), however we may exercise our rights to Assess your Claim in accordance with this Contract.
- 5.13. You may continue a Case without the accompanying signed Legal Help Application Form where the Client is homeless. In these circumstances a verbal declaration must be given by the Client over the telephone. Where you continue with a Case in these circumstances, you must ensure that the Supervisor records on the Case file the exceptional personal circumstances of the Client. For the avoidance of doubt, you may claim for Contract Work spent in connection with this Case (in accordance with Annex 3 (Payments and Disbursements), however we may exercise our rights to Assess your Claim in accordance with this Contract.
- 5.14. If the signed Legal Help Application Form and satisfactory evidence of the Client's financial eligibility is not subsequently supplied, or if the evidence does not show

that the Client is financially eligible, you may only claim a maximum of 132 minutes (which includes a maximum of 12 minutes to conclude any advice and if necessary to refer and signpost the Client) for the Contract Work carried out as a Case provided that:

- (a) you have acted reasonably in undertaking work before receiving satisfactory evidence of the Client's means; and
- (b) you have acted reasonably in initially assessing financial eligibility on the information available; and
- (c) the unsigned Legal Help Application Form is on the Case file; and
- (d) you do not claim any Disbursement beyond those incurred in the period before it is practicable to obtain satisfactory evidence of the Client's means.

We may monitor the number of your Cases that fall into this category. If we consider it appropriate we may carry out further investigations. If, as a result of further investigation, it appears that you have breached this provision we may take appropriate action, including Assessing a sample of your Claims or applying a Sanction under Clause 24 of the Standard Terms.

Computation period for assessing means

- 5.15. The computation period is the calendar month up to and including the date on which the Client was first assessed by the Operator Service as being eligible (as noted on the Case Handling System). You must attempt to obtain evidence relating to that period.

Assessing the means of a child

- 5.16. When assessing the means of a Child or Protected Party, the appropriate means which you must take into account are:
- (a) those of the Child or Protected Party: and
 - (b) in all cases other than applications for Legal Representation in non-family proceedings, those persons who are liable to maintain the Child or Protected Party or usually contribute substantially to the Child's or Protected Party's maintenance, subject to the exception provided for by the Financial Regulations.
- 5.17. When assessing means where you accept an application for Controlled Work directly from a Child you must consider whether it is just and equitable not to aggregate the Child's means with those of the person liable to maintain the Child. The presumption is that there should be aggregation but you can decide not to aggregate (and assess only the Child's means) if, having regard to all the circumstances, including the age and resources of the Child (and any conflict of interest), you reasonably consider it just and equitable to do so. Non-aggregation is more likely to be justified where there is a conflict between the Child and the person liable to maintain the Child.

Case Start Rules

General rules

- 5.18. Paragraphs 5.19 to 5.34 and relevant Category Specific Rules in Sections 9 of this Specification set out the rules for when a Legal Help Case may be commenced. No fixed fee may be claimed for a Case which does not comply with these rules and if we discover a breach of these rules, on Audit or otherwise, any payments we have made may be re-claimed.
- 5.19. The following rules are of general application:
- (a) a Case should be commenced only where all applicable criteria in the Merits Regulations and Financial Regulations are met in respect of opening the new Case. In particular, each separate Legal Help Case must satisfy the sufficient benefit criteria set out in regulation 32(b) of the Merits Regulations;
 - (b) a Case cannot be in more than one Category of Law;
 - (c) each separate Case must be the subject of a separate Application Form. You must identify, and record on the file, any point at which the work that you are performing for any Client becomes two separate Cases and you open a separate Case; and
 - (d) each Case is unique to the CLA Provider that commences it. Where, pursuant to Paragraph 5.25, you provide Controlled Work to a Client in relation to which Controlled Work has been undertaken by a previous CLA Provider or Provider, you must commence a new Case.

When can more than one Case be opened for a single Client?

- 5.20. You must not open more than one Case for a Client unless the Client has more than one separate and distinct legal problem. Legal problems will only satisfy this test if they are genuinely separate and distinct, typically because they arise out of different causes or events, and where either:
- (a) they necessarily fall under different Categories; or
 - (b) if they fall within the same Category, both
 - (i) if legal proceedings were started, or other appropriate remedies pursued, for each problem it would be appropriate for such proceedings to be both issued and heard, or for other remedies to be dealt with, separately; and
 - (ii) each problem requires substantial legal work which does not address the other problem(s).
- 5.21. For the purpose of Paragraph 5.20(b)(ii) 'substantial legal work' must consist of at least:
- (a) an additional 30 minutes of preparation or advice; or
 - (b) separate communication with other parties on legal issues.
- 5.22. Where the Client raises several issues at the first contact, a single Case should be commenced to identify the legal problems and provide general, preliminary advice. If one legal problem is identified then the original, single Case should be

used for the provision of further Controlled Work. However, more than one Case may be opened at the initial contact where this is justified under Paragraph 5.20.

- 5.23. Whether a further Case is justified depends on the nature of the Client's problems and does not depend on whether you purport to limit your retainer to any particular part of the Client's problem.

When can subsequent Case be opened?

- 5.24. Once a Case has commenced, whether under this Contract or any Previous Contract, a new Case can only be opened for the same Client if the Client has a new legal problem which is separate and distinct, as defined in Paragraph 5.20. Any work which does not relate to such a separate and distinct problem must be carried out under the original Case, whether or not circumstances have changed or developments have occurred as the Client's case has progressed.

- 5.25. As an exception to Paragraph 5.24, you may commence a Case in relation to the same legal problem for which you have previously opened a Controlled Work Matter if:

- (a) a period of at least 6 months has elapsed since the Claim for that Controlled Work Matter was submitted; or
- (b) both:
 - (i) there has been a material development or change in the Client's instructions; and
 - (ii) save where the Case was concluded under Paragraph 5.47(b), a period of at least 3 months has elapsed since the Claim for that Controlled Work Case was submitted.

- 5.26. For the purposes of Paragraph 5.25(b):

- (a) the fact that the Client has failed to give instructions shall not constitute or give rise to a change in the Client's instructions;
- (b) a decision or other response from another party to any correspondence, application, appeal or review or other request that was made in the course of the original Controlled Work Case shall not constitute a material development in the Case; and
- (c) a change in the law that is anticipated within the original Case cannot constitute a material development in the Case.

- 5.27. Where a Case has been closed and claimed for but further work is necessary and a separate Case is not justified:

- (a) the work already undertaken and the further work should be taken into account in determining whether the Case exceeds 900 minutes and is subject to an Assessment.
- (b) you may claim further Disbursements as part of the Case where appropriate; and

Multiple Clients

- 5.28. Where you act for more than one Client in relation to the same general legal problem a single Case should generally be used. Cases in respect of more than one Client may be commenced only where the following are satisfied:
- (a) if proceedings were issued each Client would need to be a party to those proceedings; and
 - (b) each Client has a separate and distinct legal interest in the problem or issue;
 - (c) in considering whether there is sufficient benefit for the second or any subsequent Client to receive Legal Help, you take into account the fact the Legal Help that is already being provided in relation to the same general problem.

Previous Controlled Work carried out by a different Provider

- 5.29 You are required to establish whether previous Controlled Work has been provided to the Client in respect of the same Case by making reasonable enquiries including (but not limited to):
- (a) asking the Client;
 - (b) examining any documentation provided by the Client; and
 - (c) considering the length of time that the legal problem has been in existence and any developments during that time.

If you fail to make reasonable enquiries in this situation any Claim for Controlled Work in relation to the Case may be disallowed where the Client has already received Controlled Work in relation to the same legal problem.

- 5.30 Where Controlled Work has been given for the same Case from another Provider within the six months preceding the application, you must obtain the consent of the Client to contact the previous CLA Provider or Provider (as applicable) on as soon as practicable in writing to:
- (a) confirm the reasons for the termination of the retainer; and
 - (b) request a transfer or copy of the file.

Where the Client refuses to give you consent to contact the previous CLA Provider or Provider (as applicable), then you may not provide Controlled Work for that Client and may not make any Claim for payment in respect of any such work under this Contract.

- 5.31 When you have made a request for a Client's file under Paragraph 5.32, you may not start work for that Client until you have received the file and considered its contents unless it is absolutely necessary to take steps immediately to protect the Client's position or meet a court deadline. If you undertake Controlled Work in a situation of urgency and then, having received the file, conclude that the requirements of the Merits Regulations, Financial Regulations and the Procedure Regulations were not satisfied, you must cease acting for that Client immediately, but may still make a Claim for the work you have undertaken under Section 6 of this Specification.

- 5.32 When providing Controlled Work in the circumstances outlined in Paragraphs 5.29 to 5.33 you must record the justification for doing so on the file. Changes to a subsequent Provider on the grounds of dissatisfaction with the service provided or a breakdown in relationship with a previous Provider will require greater justification. You must have regard to any Contract Work already carried out on the Case by the previous Provider and ensure that the Contract Work you carry out does not involve unnecessary duplication.
- 5.33 Where Controlled Work is provided in contravention of Paragraphs 5.29 to 5.33, the work provided cannot be claimed as Contract Work except under Paragraph 5.33.

Specific situations

- 5.34 A Legal Help Case is not justified in the following circumstances:
- (a) providing information to Clients or to other persons contacting your organisation;
 - (b) supplying a new CLA Provider or Provider (as applicable) with a former Client's file or a copy, or information about the circumstances of termination of the retainer, under Paragraph 5.32.
- 5.35 Where Controlled Work has already been carried out for a Client then, subject to Category Specific Rules, a separate Case would not be justified in the following circumstances:
- (a) Controlled Work in relation to an interim remedy in a Case on which Controlled Work has already been provided;
 - (b) Controlled Work in relation to enforcement, a review or an appeal (including an application for a determination that the Client qualifies for Licensed Work) in a Case on which Controlled Work has already been provided;
 - (c) Controlled Work in relation to making a complaint in relation to a Case where Controlled Work is at any time provided in relation to a substantive legal remedy in the same Case;
 - (d) if a Client seeks advice as to whether he or she must change CLA Provider from a CLA Provider already providing Controlled Work. The provisions in Paragraphs 5.29 to 5.33 should be applied before any work is provided under a new Case;
 - (e) providing Help at Court in a Case for which you have been providing Legal Help; or
 - (f) any work undertaken on a Case by an Agent on your behalf will form part of the same Case.
- 5.36 Notwithstanding Paragraph 5.35(b), where the Client faces enforcement proceedings because he or she is alleged to have breached the terms of a suspended or postponed order, or is alleged to have breached the terms on which proceedings were adjourned, further Legal Help may be provided under a new Case.

Declining Controlled Work

Decline for good cause

- 5.37 In addition to making a determination that an individual does not qualify for Controlled Work, you may for another good cause decline to receive an application.
- 5.38 Good cause for declining to receive an application under Paragraph 5.37 includes:
- (a) where you do not have the necessary skill or expertise to take on the Case; or
 - (b) other professional conduct reasons such as actual or potential conflict of interest.
- 5.39 You must give us such information about declining to receive an application under Paragraph 5.37 as we may require.
- 5.40 You must not decline to receive an application under Paragraph 5.37:
- (a) which is within the scope of your Contract and which you have the appropriate skills to carry out, on any grounds which directly or indirectly discriminate on the grounds of a protected characteristic (as defined in section 4 of the Equality Act 2010); or
 - (b) because a potential Client's protected characteristic (as defined in section 4 of the Equality Act 2010) may result in additional costs or disbursements being incurred compared with a Client without them.

Declining on the basis of likely cost

- 5.41 "Good cause" in Paragraph 5.37 does not include any considerations regarding the level of any Fixed Fee or Hourly Rate you may be entitled to receive under this Contract. You may not decline to receive an application under Paragraph 5.37 on the grounds (however stated) that the Fixed Fee or Hourly Rate you would be entitled to claim for that work does not represent what you consider to be appropriate remuneration in the circumstances of the individual Case.

Use of Counsel

- 5.42 Where you instruct Counsel under Legal Help in a Case, Counsel's fees count as a Disbursement and may not be taken into account in determining whether the Case meets the 900 minutes threshold whereby it will be subject to Assessment.
- 5.43 Where you claim Counsel's fees under Paragraph 5.42:
- (a) you must record the justification for the instruction of Counsel in terms of the complexity or other exceptional circumstances of the Case and the relevant expertise of Counsel;
 - (b) Counsel must set out details of the time spent in his/her invoice; and

- (c) you must pay Counsel the full fee stated by the Counsel's invoice and claimed from us, irrespective of any reduction in respect of Counsel's fees on assessment.

5.44 You may not instruct Counsel under Help at Court.

Clients with a Financial Interest in your Costs

5.45 If your Client has or is likely to have a financial interest in any Claim or assessment (because the statutory charge applies, they are obliged to make a contribution to their legal costs, or otherwise) they are entitled to be made aware of the costs you are incurring. You must on a regular basis:

- (a) notify your Client that they have a financial interest and explain why;
- (b) explain that when you make your Claim for costs they have a right to make representations (see Paragraph 8.63); and
- (c) provide them with an update of your costs, including information in relation to the fees of counsel, experts and other disbursements.

Ending Controlled Work

5.46 You may make a Claim for a Controlled Work Case when any of the following events occurs:

- (a) the Client decides not to proceed;
- (b) the Client fails to give instructions for three months (unless the Case is on hold);
- (c) a determination is made that the Client qualifies for civil legal aid provided as Licensed Work (unless further Controlled Work is required on Cases not covered by the determination) or the Case begins to be funded outside this Contract;
- (d) you consider that the Case (having regard to any Category Specific Rules on commencing Cases) is completed;
- (e) the determination that an individual qualifies for Controlled Work has been withdrawn under the Procedure Regulations;
- (f) you can no longer act through a conflict of interest or other reason of professional conduct.

Exceptional Case

5.47 You are authorised, under this Contract, to apply for an Exceptional Case in respect of Controlled Work in accordance with the procedures set out in the Procedure Regulations.

- (a) assessing your performance under this Contract; and
 - (b) deciding whether your work should be subject to quality assessment or another form of Audit.

Controlled Work Cost Audits

- 6.7. Reference to "Sample" below means a sample of no fewer than 20 Claims made by you (or all Claims if you have submitted less than 20 since the last Assessment was undertaken). When we Assess a Sample of Claims, we may apply any Findings to your other Claims for payment for Controlled Work.
- 6.8. When we apply Findings in this way, we may do so for all Cases commenced under this Contract (or any previous Contract it has replaced) where costs have been claimed from us either:
- (a) In the case of Mis-Claiming, at any time within the two years following its submission to us or within six years if (i) an Official Investigation is underway or (ii) we have received a report that we can reasonably consider requires us to Assess such Claims;
 - (b) In the case of Over-Claiming or other claiming issues:
 - (i) Since the date of the last Contract Compliance Audit; or
 - (ii) From a date 12 months immediately preceding the date the file sample was requested for assessment.

Whichever is the most recent.

- 6.9. If the sample relate only to a specific group of your files or Category of Law, then we will only apply the Findings to that specific group.
- 6.10. When Finding are applied to a Claim under these provisions, then we have assessed that Claim.

Exceptional Case

- 6.11. You are authorised, under this Contract, to be paid in accordance with Annex 2 (Cases, Fixed Fee and Hourly Rates (Controlled Work)) for any Exceptional Case that you undertake under this Section 6.

Application Procedures

Electronic applications

- 7.12. Where you submit an application in respect of Licensed Work electronically you must, where necessary, register your Client's details on our online Client registration system (in accordance with such Contract Guide as we may issue from time to time), and you will be deemed to have certified:

Case Starts

- 7.13. This Contract does not restrict the number of Licensed Work Cases you may undertake unless any such restriction has been imposed on you by way of Contract amendment or Sanction and is set out in your Contract. Category Specific Rules may however require a minimum volume of Licensed Work cases.

Specific situations

- 7.14. A Legal Help Case is not justified where on the day that work is carried out you are satisfied that the Merits Regulations, Financial Regulations and the Procedure Regulations are met for a determination that an individual qualifies for Emergency Representation, or other Licensed Work, in relation to the same Case and you determine or intend to determine that the Client qualifies for such work. All work carried out on the day of your determination in relation to the Licensed Work may be claimed under the resulting Certificate. This Paragraph 7.14 shall not prevent the opening of a Case where Legal Help is required on matters not covered by Licensed Work.

Financial Eligibility

- 7.15. You are responsible for determining financial eligibility of a Client in accordance with the Financial Regulations unless the assessment of means is referred to us either at our request or in accordance with Paragraph 7.17.
- 7.16. You must refer the assessment of a Client's financial means to the Director if you are aware of any of the following circumstances:
- (a) the Client is based overseas;
 - (b) the Client is self-employed, a partner in a business, a company director or a shareholder in a private or limited company;
 - (c) the Client has negative disposable income;
 - (d) there is suspected fraud;
 - (e) the Case involves personal insolvency or there are assets held under a freezing order;

- (f) there is an interest under a will or trust fund;
- (g) the Client has access to a third party's assets, assets that have been sold or transferred, or assets are held overseas;

Prior Authority

- 7.17. You may apply in writing to us, in advance on a form we specify, for prior authority for incurring an item of costs where:
- (a) that item of costs is either unusual in its nature or is unusually large;
 - (b) you propose to instruct a Queen's Counsel or more than one Counsel;
 - (c) prior authority is otherwise required under the Specification; or
 - (d) you seek to pay an expert higher rates than are set out in the Remuneration Regulations.
- 7.18. Where you have been granted prior authority, the item of costs will be allowed on Assessment unless it becomes apparent that the authority was obtained as a result of your provision of incorrect information or circumstances have changed materially between the authority being obtained and the costs being incurred. However:
- (a) any prior authority given takes effect subject to any overall limitation on costs (including the Costs Limit) specified in the relevant Certificate; and
 - (b) the fact that you have obtained prior authority for an item of costs must not prevent your seeking to recover the full costs of that item from another party under any relevant inter parties costs order.

Use of Counsel

- 7.19. Other than in relation to the instruction of Queen's Counsel or more than one Counsel, (see Paragraph 7.20(b)), you do not require our authority to instruct Counsel, but Counsel's fees will only be paid to the extent that they are assessed as reasonable and proportionate and within the scope of the Certificate.
- 7.20. All instructions delivered to Counsel must:
- (a) include a copy of the current Certificate which records a determination, where available;

- (b) include a copy of any prior authority to instruct counsel; and
- (c) be endorsed with the Certificate reference number, where available.

7.21. Where the Certificate has not yet been issued at the point that instructions are delivered to Counsel, a copy must be provided to Counsel within 14 days of your receiving it.

Clients with a Financial Interest in your Costs

7.22. Paragraph 5.46 applies also in relation to Licensed Work Cases. In Licensed Work Cases your Client will also have a financial interest in your costs where his/her determination has been revoked.

Application of the Statutory Charge to Licensed Work

- 7.23. You must not accept instructions to propose an order or settlement or agree a consent order having the effect that money that may be subject to the statutory charge is not paid to you or to us as required by regulations made under section 25 of the Act, or that otherwise may hinder our enforcement or protection of the statutory charge.
- 7.24. In complying with your duty under regulations made under section 25 of the Act to report to us where money or other property is recovered or preserved by your Client (including costs), and in any subsequent communications in relation to the statutory charge, you must provide all relevant information and not seek in any way to mislead us in relation to the application or extent of the statutory charge.
- 7.25. Your retainer under a Certificate in respect of Licensed Work does not extend to making representations to us, Land Registry or Adjudicator of the Land Registry against application, extent or enforcement of the statutory charge in relation to services under that Certificate.
- 7.26. Where you fail to take steps required under Legal Aid Legislation or this Contract to protect the statutory charge, we will be treated as having suffered loss for the purposes of Clause 14.14(b) of the Standard Terms.
- 7.27. In Cases where a proportion of the Client's damages is or may be required to be paid by the Client pursuant to regulations made under section 23(3) of the Act, you must report this to us in the format we specify.

Exceptional Case

7.28. You are authorised, under this Contract, to apply for an Exceptional Case in respect of Licensed Work, in the Discrimination Category of Law only, in accordance with the procedures set out in the Procedure Regulations.

Urgent Applications

7.29. You must act reasonably and proportionately in the course of making any representation to us that an application for Legal Aid is urgent and must take reasonable steps to ensure that you do not cause or contribute to any such urgency due to unnecessary delay in the submission of applications to us.

Transitional Provisions

- 7.30. In relation to fees and remuneration rates for Licensed Work, this Specification applies to any application you or your Client make for Legal Aid on or after the Service Commencement Date.
- 7.31. Remuneration under a Certificate granted following an application made prior to the Service Commencement Date will be governed by your Previous Contract specification provided that all forms have been signed by you or your Client before the Service Commencement Date and are received by us within one week of the Service Commencement Date.

Transfer of Contract Work Between Providers

- 7.32. In the event that you cease to be instructed or are required to withdraw from acting in relation to a Case and such Case is subsequently transferred to a new provider, you must provide all relevant information about the case to the other Provider in good time and in such manner as the new Provider may reasonably request. Such information shall include but not be limited to:
- (a) A complete copy of the file
 - (b) Confirmation of whether any Payments on Account have been made to us to you in relation to the Certificate;
 - (c) An explanation of why you are no longer instructed; and
 - (d) any other information or documentation reasonably requested by the new Provider.
- 7.33. In the event of a dispute over which Provider should be paid for Contract Work carried out in relation to the Case, where and to the extent appropriate we will make a determination in relation to the same.
- 7.34. For the avoidance of doubt and without prejudice to Paragraph 5.30 upon receiving new instructions in relation to a Case you must take reasonable enquiries to establish whether the Client has previously instructed a different Provider and/or previously received Legal Aid in relation to the same case. Where there is evidence that an alternative Provider has been instructed and/or Legal Aid has been received previously you will make such enquiries as are reasonably necessary with your prospective Client and with us to ensure that there is no unnecessary duplication of work and/or costs.

Audited or Certified Accounts

- 7.35. In addition to the accounts that you are required to maintain pursuant to Clause 4.1 of the Standard Terms, such accounts must also include details of all Payments on Account received by you in the relevant accounting period in respect of Contract Work which is Licensed Work for which you have not at the end of such period submitted an invoice to us together with explanatory notes in respect of such accounts.

Financial Disclosure

- 7.36. Without limiting Clauses 4.1 and 9.1 in the Standard Terms, if you have exceeded your Maximum PoA Limit you must within 14 days of our request disclose to us such other financial information as we reasonably require about you (including information about your monthly management accounts, Bank Covenants, Bank Facilities and your and your partners and/or directors loan agreements and details of other assets and liabilities) and about Contract Work (and any other work secured by us).

Access to the Manual

- 7.37. You must have either a printed copy of the current Manual or on-line access to it through a recognised licensee of ours.

Records you must maintain

- 7.38. Without limiting Clause 8.3 of the Standard Terms, "Records" includes the results of any Client satisfaction surveys.

Sanctions

- 7.39. Without limiting Clause 24.5 of the Standard Terms, we may by written notice suspend your Delegated Functions (in whole or in part) for the period specified in such notice and/or impose restrictions on the Contract Work that you may perform.

Application of Clause 13 to other provisions of the Contract

- 7.40. For the avoidance of doubt, and without limiting Clause 13.17 of the Standard Terms, the parties agree that the following are not changes for the purposes of Clause 13 (and Clause 13 of the Standard Terms does not apply to them):

- (a) awarding or removing Delegated Functions;
- (b) imposing a Maximum POA Limit,

unless and to the extent that the relevant provision of this Contract setting out such right or obligation expressly applies Clause 13 of the Standard Terms.

Your obligation to check Certificates and authorities issued by us in connection with Contract Work

- 7.41. Where applicable it is your responsibility to check any Certificates and authorities that are issued to you in connection with Contract Work. If after checking a Certificate or authority you have any concerns, you may raise them with the issuing body. No matter what sum is assessed by a court as costs incurred under a Certificate, we have no obligation to pay you for any work that is outside the scope of a Certificate, or which is in excess of that covered by a limitation or condition on a Certificate, and if any such payment is made to you an equal sum is repayable by you to us.

SECTION 8 PAYMENT FOR LICENSED WORK

8. General Regime

8.1. Subject to:

- (a) our and the Court's right to assess Claims for Licensed Work: and
- (b) our right under this Contract to reduce payments,

we will pay you for Licensed Work which is properly conducted and claimed in accordance with the terms of this Contract at the rates set out in the Remuneration Regulations. All payments are subject to the Category Specific Rules at Sections 9 to 12 of this Specification.

All references to Claims and Cases in this Section 8 shall be to Claims and Cases in respect of Licensed Work.

8.2. We will pay you for Licensed Work after our receipt of a valid Claim.

8.3. All provisions in this Contract as to the timing of payment for Claims are subject to Paragraphs 8.4 to 8.9.

Licensed Work Claims

8.4. In respect of Licensed Work:

- (a) in making a Claim, you must have regard to the content of the relevant Costs Assessment Manual; and
- (b) you must submit each Claim to us within the time period specified in this Section 8, otherwise, it can be difficult for us to forecast expenditure. Persistent failure to submit Claims within the time periods specified may lead to the issue of Sanctions (including termination) under Clause 24 of the Standard Terms and/or termination under Clause 25 of the Standard Terms;
- (c) subject to our receipt from you of "all necessary information and payments" in connection with an individual Case Claim (and provided you have complied with your obligations in respect of the bill or Claim and the Case to which it relates) any payment for it due under this Contract will be made no later than 28 days after the "relevant date". Normally, payment will be included in one of the regular settlements that we make, the dates of which are published on our website.

8.5. Subject to Paragraph 8.7, the "relevant date" for the purposes of Paragraph 8.4 is:

- (a) where a bill or Claim has been assessed by a court, 7 days after compliance and receipt of "all necessary information and payments", as required by Paragraph 8.4; and
- (b) for any other bill or Claim (including claims for Payments on Account) either:
 - i) the date on which we have assessed it or otherwise passed it for payment; or

- (ii) the date of receipt of “all necessary information and payments” and compliance, as required by Paragraph 8.4,

whichever is later. Where there is an appeal against an Assessment, the date of the appeal decision is the date of the Assessment, for the purposes of this Paragraph 8.5.

8.6. In Paragraph 8.4 and 8.5:

- (a) “all necessary information” comprises all information that we require to enable us to perform our functions under the Act, whether required from you or Counsel or an expert you have instructed. Such information may include but is not limited to: correct and properly completed forms; information to enable us to assess the bill or Claim; information to enable a decision to be made as to whether the statutory charge on property recovered or preserved applies or whether there should be a re-assessment of the Client’s means; and/or information necessary to demonstrate that this Contract has been complied with and responses to all reasonable queries;
- (b) “all necessary payments” means any payments that, under this Contract, you are obliged to make in respect of the Case and may include payment to us of property recovered or preserved for the Client.

8.7. If you have failed to comply with your obligations in respect of the bill or Claim or the Case to which it relates the relevant date (if later than that provided by Paragraph 8.5) is 14 days after all necessary steps to protect our (and the Client’s) position have been completed.

8.8. You must comply with the provisions on claiming and assessment in respect of Contract Work set out in the terms of this Contract, Legal Aid Legislation and the Civil Procedure Rules.

Basis of Assessment

8.9. All assessments of Contract Work are to be on the Standard Basis as defined by Civil Procedure Rule 44.4(2), subject to the other provisions of this Specification and any Contract Guide.

Fee Definitions

8.10. We will pay for Licensed Work at the Hourly Rates set out in the Remuneration Regulations (also referred to as “Prescribed Rates”). All rates are exclusive of VAT.

8.11. “Prescribed Rates” (being the hourly rates set out in the Remuneration Regulations which we will pay for Licensed Work) also apply to relevant work within detailed assessment proceedings. All rates are exclusive of VAT.

Hourly Rates Enhancements

8.12. The following rules apply only to remuneration by way of Prescribed Rates under the Remuneration Regulations. No other form of enhancement or uplift is payable except as set out below.

- 8.13. The Threshold Test: on assessment of Licensed Work we may allow fees at more than the Prescribed Rate in respect of any item of work where it appears, taking into account all the relevant circumstances, that:
- (a) the work was done with exceptional competence, skill or expertise;
 - (b) the work was done with exceptional speed; or
 - (c) the Case involved exceptional circumstances or complexity.
- 8.14. Where we consider that any item of work should be allowed at more than the Prescribed Rate, we may apply to that item of work a percentage enhancement in accordance with the following provisions of Paragraphs 8.15 to 8.17 below.
- 8.15. In determining the percentage by which fees should be enhanced above the Prescribed Rate we shall have regard to:
- (a) the degree of responsibility accepted by the legal adviser;
 - (b) the care, speed and economy with which the Case was prepared; and
 - (c) the novelty, weight and complexity of the Case.
- 8.16. The percentage above the Prescribed Rate by which fees for work may be enhanced shall not exceed 50%. The exception to this is that in proceedings in the High Court, Court of Appeal, Upper Tribunal or Supreme Court, we may allow an enhancement not exceeding 100% where it considers that, in comparison with work in other proceedings in those courts which would merit 50% enhancement, the item of work relates to exceptionally complex matters which have been handled with exceptional competence or speed.
- 8.17. We may have regard to the generality of proceedings to which the relevant Prescribed Rates apply in determining what is exceptional within the meaning of this provision.

Fast Track Proceedings

- 8.18. Where proceedings are allocated to the fast track as defined in Part 28 of the Civil Procedure Rules:
- (a) the amount payable by us to any advocate, whether from your Approved Personnel or a representative instructed by you, shall not exceed the amount of fixed costs allowable under Civil Procedure Rule 45.38;
 - (b) the amount payable by us to any legal representative attending court to assist the advocate shall not exceed the amount allowable under Civil Procedure Rule 45.39(2) regardless of any amounts actually awarded by the court under Civil Procedure Rule 45VI.

Payments on Account

- 8.19. Your right to apply for Payments on Account for Licensed Work is governed solely by the provisions of Paragraphs 8.20 to 8.30 and Category Specific Rules.

- 8.20. On any Case in respect of Licensed Work, you may apply to us for a Payment on Account of your disbursements incurred, or about to be incurred, under the Certificate.
- 8.21. On any Case in respect of Licensed Work, subject to Paragraph 8.23 and Category Specific Rules, you may apply to us for a Payment on Account of your profit costs incurred under the Certificate provided that:
- (a) an application for a first Payment on Account may not be made earlier than 3 months after the issue of the Certificate;
 - (b) you may make no more than two applications within any 12 months period; and
 - (c) cumulative Payments on Account for profit costs under a Certificate must not exceed 75% of the amount of your incurred profit costs, calculated at the date of each application for the Payment on Account.
- 8.22. When deciding whether to make any Payment on Account, we will exercise our reasonable discretion and are entitled to take into account:
- (a) the limitations on the Certificate; and
 - (b) the financial situation of your account with us.
- 8.23. Annex 3 (Payments and Disbursements) specifies a maximum Payment on Account Limit. Payment on Accounts will not be made where this would cause the Maximum PoA Limit to be exceeded. If any such limit is exceeded, the excess is automatically repayable to us. If you become aware that any maximum limit for Payment on Account has been exceeded, you must notify us to enable us to adjust your account (or to require repayment) should we wish to do so.
- 8.24. The Category Specific Rules in the Specification may provide different payment provisions for a specified Category of Law. If any such provisions state that they override any of the above payment provisions, then they shall do so.
- 8.25. If you are in practice as solicitors, we agree that you may pay Payments on Account in to your office account, if permitted or required to do so under any accounts rules applicable to you.
- 8.26. Any Payment on Account will be an "overpayment or mispayment" under Clause 14.12 of the Standard Terms where:
- (a) it is made in respect of a Claim in breach of Paragraphs 8.21 or 8.23;
 - (b) it is "repayable" under Paragraph 8.27.
- 8.27. A Payment on Account is "repayable" to us when any of the following occurs:
- (a) three years have elapsed since the date of issue of the Certificate for the Case in respect of which the Payment on Account was made;
 - (b) three months have elapsed since the Case ended;

- (c) we have requested information from you about the Case and you have failed to provide it to our reasonable satisfaction within 14 days; or
 - (d) the Payment on Account related to third party fees or other disbursements and they have not been incurred within one month of receipt of the Payment on Account (or if they have not been incurred up to the full amount of the Payment on Account, the excess of the Payment on Account is repayable).
- 8.28. If you become aware that any of the events set out in Paragraphs 8.26 or 8.27 has occurred you should notify us within 14 days of becoming aware to enable us to adjust your account (or to require repayment) should we wish to do so and you shall promptly make any repayment requested by us.
- 8.29. Before seeking repayment in respect of an overpayment or mispayment under Paragraph 8.26, we will give you an opportunity to state why we should not do so. If you have made out good reason why we should not do so, then we shall not seek repayment.
- 8.30. Any Payments on Account made to you in respect of a Licensed Work Case become repayable to us on a final assessment of the Claim made in respect of that Case and may be set-off against any payment due to you under Clause 14.11 of the Standard Terms.

Assessment Procedures

- 8.31. In respect of Licensed Work, for Claims where the court is responsible for Assessment (in accordance with Paragraph 8.36), you must first submit your Licensed Work Claims for Assessment by the court and when this Assessment is complete you must make a Claim for payment from us within 3 months of receipt by you of the final assessment certificate from the court.
- 8.32. In respect of Licensed Work Claims where we are responsible for Assessment (in accordance with Paragraphs 8.36 to 8.37) you must submit to us a Claim for payment and Assessment on the required form.
- 8.33. All claims for Assessment and payment by us must be submitted within 3 months of the right to claim accruing. The right to claim accrues in the following circumstances:
- (a) when an assessment certificate is issued by the court; or
 - (b) where the Claim is to be assessed by us when:
 - (i) a final order of the court is made for detailed assessment of your costs under this Section 8; or
 - (ii) the later of the date of service of a notice of discontinuance under Civil Procedure Rule 38.3 in respect of the entire proceedings under the determination to which the Certificate relates; or 3 months after the date of the dismissal of application to set the notice of discontinuance aside under Civil Procedure Rule 38.4; or

- (iii) an offer to settle is accepted or a payment into court is made under Civil Procedure Rules Part 36 in respect of the entire proceedings under the determination to which the Certificate relates; or
- (iv) if none of (i) to (iii) above apply, the date of the withdrawal of the determination (or, where relevant, the date that the withdrawal has been finally confirmed on appeal).

8.34. We may require you to submit your Licensed Work claims through CCMS. Where you submit your Claim for costs electronically you will be deemed to have certified that:

- (a) the information provided is correct;
- (b) the work for which the Claim is made has not and will not be the subject of any other claim for remuneration from public funds; and
- (c) where the Client has a financial interest in your Claim, you have complied with Paragraph 8.63.

Late claiming where your Client has a financial interest

8.35 If, in a Case where your Client has a financial interest in your Claim you fail to submit your Claim as required in Paragraphs 8.31 or 8.33, we may serve notice requiring you submit your claim within two months of the date of that notice. Where you fail, within the time specified by that notice, either to submit your claim or to provide a satisfactory explanation, we may disallow your Claim to the extent of your Client's financial interest. Any disallowance of your costs under this Paragraph will be treated as subject to the appeal procedures in this Section 8, whether or not the Case falls for assessment by us.

Court Assessment

8.36 Except where:

- (a) it is or may be necessary for the court to carry out a detailed assessment of costs payable to the Client by another party to the proceedings; or
- (b) having regard to interests of the Client and public funds, the weight or complexity of the Case and all the other circumstances, we consider it appropriate to direct that the costs be subject to detailed assessment,

your Claim for payment for Licensed Work will be Assessed by us.

8.37 A direction under Paragraph 8.36(b) may relate to an individual Case or to any class of Case, identified by the level of costs to be assessed or otherwise. In Cases where costs are to be subject to assessment by the court, detailed assessment proceedings must be commenced within the time specified in the Civil Procedure Rules.

Rules Applying to Detailed Assessments

8.38 Costs you incur in detailed assessment proceedings may be included in the Licensed Work Claim to which the detailed Assessment relates and are not payable separately. The amount of such costs payable shall be as determined by the detailed assessment itself, except as provided by Paragraph 8.39.

- 8.39 Costs claimed may not be claimed under Paragraph 8.38 that relate to the detailed Assessment of work covered by a Client's costs order or costs agreement in addition to the costs recovered under the Client's costs order or costs agreement, other than Legal Aid only costs within the definition of 8.55.
- 8.40 The costs you incur in any appeal against a decision made in a detailed Assessment may only be claimed from us to the extent that this is ordered by the court hearing the appeal.
- 8.41 You cannot Claim costs under the Certificate for either:
- (a) detailed assessment proceedings (including any appeal) that do not include an assessment of Legal Aid costs unless we have specifically authorised this work at Contract remuneration rates in the interests of recovering public funds; or
 - (b) detailed assessment proceedings in respect of a costs order against the Client, unless an amendment to the Certificate has been specifically granted for this purpose.
- 8.44 For the avoidance of doubt:
- (a) the costs referred to in Paragraphs 8.38 and 8.41 do not form part of the statutory charge and are not subject to the Costs Limit on the relevant Certificate(s); but
 - (b) the costs of preparing and checking a bill of costs do form part of the statutory charge (where it applies to a Case) and are subject to the final Costs Limit on the relevant Certificate.
- 8.45 Where fees of Counsel that you have instructed are reduced on a detailed assessment (or provisional assessment) you must notify Counsel of this reduction within 7 days of the date of that assessment, and subsequently endorse your bill of costs with the date of this notification; where Counsel's fees have not been reduced you should certify that no such notification is necessary.

Costs Payable by Another Party

- 8.46 This Paragraph 8.46 represents our authority pursuant to section 28(2)(b) of the Act, for you to receive payment from another party under a Client's costs order or Client's costs agreement (as defined in Legal Aid Legislation) and to recover those costs at rates in excess of those provided for in this Contract or any other contract with us. This applies to all Contract Work that you perform under and in accordance with this Contract and applies also to costs recovered in respect of Counsel's fees. It also applies notwithstanding any Costs Limit on a Certificate in Licensed Work Cases.
- 8.47 Paragraph 8.46 does not entitle you to take any form of enforcement action. This must be specifically authorised under Legal Aid Legislation.
- 8.48 Where an order or agreement for a sum of money is payable to the Client, in which the proportion of the sum that represents the damages and the costs are not specified, we do not authorise you to retain any part of the sum, and you must

claim the costs of any relevant work from us under the relevant provisions of this Section 8.

- 8.49 Where a Client's costs order or Client's costs agreement has been made you may in addition to the costs under that order or agreement ('inter partes costs') claim from us your Legal Aid only costs, as defined by Paragraph 8.55, at the rates specified in the Remuneration Regulations.
- 8.50 Where you have agreed and received the inter partes costs you may seek Assessment solely of your Legal Aid only costs under the provisions of Paragraphs 8.31 to 8.45. Otherwise, any Assessment of your costs must be in respect of your full Claim.
- 8.51 Unless inter partes costs have previously been agreed, the Assessment of your costs under Paragraph 8.33(b)(i) must be concurrent with the detailed assessment of the inter partes costs.
- 8.52 The time period under Paragraph 8.33 for submitting to us a Claim for assessment under Paragraphs 8.32 or 8.33 may be extended with our agreement, but not beyond 3 months from the point that inter partes costs are agreed.
- 8.53 Where you do not intend to make a Claim in respect of a matter you must report to us on the form specified by us within 2 months of your receipt of inter partes costs.
- 8.54 You must notify us of any Client's costs order or Client's costs agreement within the time period specified at Paragraph 8.33, if you have not already submitted a Claim or reported under Paragraph 8.53 in respect of the matter.
- 8.55 'Legal Aid only costs' are costs:
- (a) of Contract Work not covered by a Client's costs order or Client's cost agreement;
 - (b) of completing our forms and communicating with us; or
 - (c) that have not been allowed on inter parties detailed Assessment or the paying party has reasonably refused to pay in agreeing inter partes costs:
 - (i) in respect of which we have granted prior authority under Paragraph 7.17;
 - (ii) in respect of work which we have specifically requested or authorised for the purposes of considering the making, withdrawal or amendment of a determination in respect of Legal Aid;
 - (iii) that represents a reasonable adjustment you have made as a Provider under the terms of the Equality Act 2010;
 - (iv) in respect of the travel expenses of a Client other than to attend court as a witness of fact.
- 8.56 Where a Client's costs order or Client's costs agreement specifies that another party shall pay a proportion of the Client's costs (but not a fixed sum), for the purposes of Paragraph 8.55 work is not covered by that order or agreement in the same proportion that the Client's costs are not payable under that order or agreement.

- 8.57 Where you agree and receive inter partes costs in the circumstances of Paragraphs 8.49 or 8.50 we authorise you pursuant to Legal Aid Legislation to retain those inter partes costs, subject to accounting to us for any interest due under Paragraph 8.58.
- 8.58 Where interest has been received or is payable on inter partes costs, you are entitled to the proportion of the interest which relates to the amount (if any) by which the inter partes costs exceed the amount paid or payable by us in relation to the relevant dispute or proceedings. The remainder of the interest is payable to us.

General Provisions on Claiming and Assessment

- 8.59 You may only claim for work that has been actually and reasonably done and disbursements actually and reasonably incurred in accordance with the provisions of the Contract and that is supported by appropriate evidence on the file at the time of the Claim and Assessment.
- 8.60 You must submit your Claims in accordance with the terms of any limitations placed upon that Case including, but not limited to, limitations on Certificates. We may reject any Claim you make which does not comply with the rule in this Paragraph 8.60.
- 8.61 Where any item of costs is to be claimed on more than one Case, this fact must be recorded on each of the relevant files and Claims, together with the proportion of time and costs attributed to each matter. Consecutive attendances on the same Client(s) where continuous are to be treated as a single item of costs for the purposes of this rule in Paragraph 8.59.
- 8.62 Whether or not your Client has a financial interest in the Case, in carrying out Contract Work you must endeavour where possible to obtain and pursue a Client's costs order or Client's costs agreement as you would if acting for a privately paying client (including in any detailed Assessment proceedings or negotiations in respect of a Client's costs order or Client's costs agreement), and you must seek to protect the interests of public funds on any detailed Assessment of costs payable by another party.
- 8.63 If your Client has a financial interest in any Claim or Assessment they are entitled to make representations in relation to your Claim. Before submitting your Claim for Assessment, whether by the court or us, you must:
- (a) notify your Client that they have a financial interest and explain why;
 - (b) explain that they have a right to make representations and set out how they can make those representations, explaining such other steps that they may take to safeguard their interest;
 - (c) provide them with a copy of your bill of costs or Claim for costs; and
 - (d) endorse your bill or Claim indicating that you have complied with the steps in Paragraph 8.64(a) to (c).
- 8.64 Without prejudice to the generality of Paragraph 8.59, you should note the following provisions regarding costs and disbursements:

- (a) you must not claim for time spent on purely administrative matters (such as opening and setting up files, the maintenance of time/costing records) or in meeting the administrative requirements of your Contract (such as the information return and the Claim for costs), unless expressly provided by this Contract or Costs Assessment Manuals;
- (b) you must not claim for time spent on legal research over and above brief checks on the law, unless the Case involves a novel, developing or unusually complex point of law, justifying either legal research by you or the obtaining of an opinion from Counsel;
- (c) you must not claim for any additional costs incurred by you or your Client because you are based in a Location distant from your Client where it would have been reasonable for your Client to have instructed a Provider located nearer to him or her;
- (d) you must not claim for the fees of Queen's Counsel or more than one Counsel unless you have obtained prior authority to instruct Queen's Counsel or more than one Counsel under Paragraph 7.19. For the avoidance of doubt, prior authority to instruct a Queen's Counsel is required only where Queen's Counsel will act as such but not where Queen's Counsel choose to act and be paid only at junior Counsel rates; and
- (e) You must not claim for matters that properly fall as your overheads, such as internal communications, typing, administration and equipment costs, stationary, postage and courier charges, telephone charges and the time and costs of photocopying, save as provided for in the Costs Assessment Manuals.

8.65 Where you instruct an expert to deliver services of a type set out in the Remuneration Regulations we will not pay fees in excess of those in Remuneration Regulations unless:

- (a) we consider it reasonable to increase such fixed fees or rates in exceptional circumstances; and
- (b) we have granted prior authority to exceed such fixed fees or rates on such basis.

Subject to such limits where applicable, the amounts claimed for the provision of expert services must be justified on detailed Assessment by the court or Assessment by us in the normal way. For the purpose of this Paragraph 8.65, "exceptional circumstances" means that the expert's evidence is key to the Client's Case and either the complexity of the material is such that an expert with a high level of seniority is required; or the material is of such a specialised and unusual nature that only very few experts are available to provide the necessary evidence. We will pay expert services of a type not listed in the Remuneration Regulations at such rate as we may from time to time determine and in considering the same we will have regard to the rates set out in the Remuneration Regulations and we may require you to provide us with a number of quotes in respect of the provision of the relevant service.

8.66 The list of non-allowable disbursements set out in Paragraph 21 of Annex 3 (Payments and Disbursements) applies to Cases in respect of Licensed Work, save

in relation to court fees. The maximum rates for experts' travel time and costs set out in Remuneration Regulations also apply to Cases in respect of Licensed Work.

- 8.67 Any Assessment undertaken by us or by the Assessor on a subsequent appeal, will be subject to any costs or other limitations imposed by us and costs will only be allowed at the appropriate rates as set out in the Remuneration Regulations.
- 8.68 For Licensed Work even if the court undertakes the Assessment, we are only bound to pay costs in accordance with Paragraph 8.65.
- 8.69 On any Assessment of your costs, Counsel's fees shall not be reduced by virtue of the Costs Limit in the determination unless Counsel's fees alone exceed the final limitation on the Certificate, in which case Counsel's fees are paid up to that limitation and no further payment is made except in relation to any costs of detailed Assessment proceedings. You will then be responsible for the balance of Counsel's fees, unless you had, at all material times, notified Counsel of the relevant Costs Limit.
- 8.70 We may, however, impose a separate Costs Limit in respect of Counsels' and experts' fees.

Appeals

- 8.71 If you or Counsel are dissatisfied with any decision of ours as to the Assessment of the costs of Contract Work, you may appeal to an Independent Costs Assessor ("the Assessor"). For the avoidance of doubt, subsequent references in this rule in Paragraph 8.72 and its related Contract Guide shall include "Assessors" in Cases where an appeal is dealt with by a panel of three Assessors rather than a single Assessor alone.
- 8.72 The appeal must be made in writing (setting out full reasons) within 28 days of notification of the Assessment decision, and must be accompanied by the file. We will only extend the 28 days' time limit where you have requested an extension for good reason within 21 days. Any extension of the time limit will be for a maximum of a further 14 days.
- 8.73 Failure to comply with any of the requirements set out in Paragraph 8.72 means that you accept our decision and lose your right to dispute it.
- 8.74 Where an appeal is to proceed, we also have the right to make written representations (in addition to those contained in the original assessment) to the Assessor. If we do so, these will be sent to you not less than 21 days before the appeal papers are sent to the Assessor. If you receive such further representations from us then you have the right, within 14 days, to provide a written response to them.
- 8.75 The appeal shall be dealt with by the Assessor on the papers only. There is no general right for either party to attend or to be represented on the appeal. However, if either party considers that there are exceptional circumstances which mean that concerns or issues cannot be addressed in writing, they may make a written request (setting out full reasons) for an oral hearing, to the Assessor. Such an application must be made at the same time as:

- (a) in your case, you submit your written appeal; and
- (b) in our case, at the same time as we make any written reply (or, where no written reply is made, during the period allowed for making such reply).

Either party may challenge such an application for an oral hearing to the Assessor within 7 days of the application being made.

8.76 The Assessor will consider the request and notify both parties of his or her decision.

8.77 If:

- (a) neither party has made a request for an oral hearing but the Assessor believes that his or her review of some or all of the issues under the appeal cannot be concluded properly without hearing oral submissions; or
- (b) having considered a party's request for an oral hearing, he or she is of the opinion that the request should be granted,

he or she will notify the parties of this. If either party chooses to attend at an oral hearing, having been given permission from the Assessor, the other party will also have a right of attendance and representation at the appeal and shall confirm whether or not they intend to exercise that right.

8.78 In any case, whether or not a party has made a request for an oral hearing, if the Assessor is of the opinion that an appeal is of such complexity and / or value that it should not be considered by a single Assessor alone he or she may, in his or her sole discretion, refer the appeal to a panel of three Assessors either to deal with on the papers only or by way of an oral hearing. If the Assessor is of the opinion that the appeal should be dealt with by way of an oral hearing, the provisions set out in the preceding Paragraph apply save that a panel of three Assessors shall deal with the appeal rather than a single Assessor alone.

8.79 The Assessor may give procedural directions as to the determination of the appeal whether the appeal is to be dealt with on the papers only or an oral hearing basis.

8.80 On appeal, the Assessor shall review the Assessment whether by confirming, increasing or decreasing the amount assessed. In a Controlled Work Assessment, the Assessor may apply his or her findings generally across files outside the sample before him or her under the terms of Paragraph 6.13. However, no such decision shall apply to any completed Assessments that you have not appealed within the time limit.

8.81 Where in dealing with an appeal on the papers only the Assessor identifies new issues the Assessor will, as he or she considers appropriate in the circumstances, either:

- (a) adjourn the appeal and seek representations from the parties before making his or her final decision; or
- (b) refer the matter back to us for a new decision.

Points of Principle of General Importance

- 8.82 At any point after the submission of an appeal to the Assessor, but no later than 21 days after receipt of the Assessor's final decision, either you, us or the Assessor may seek certification of a Point of Principle of General Importance.
- 8.83 An application for certification of a Point (or Points) of Principle of General Importance must be made as follows:
- (a) in your case, by sending your application to us and, if one has already been appointed and their identity notified to you, to the Assessor. We will, within 7 days of receipt of your application, if an Assessor has been appointed but their identity not notified to you, forward the application to the Assessor also;
 - (b) in our case, by sending a copy of that, application to you and to the Assessor (if appointed); and
 - (c) in the case of the Assessor, by sending the application to us. We will, within 7 days of receipt notify you that the Assessor is seeking certification of a Point of Principle of General Importance.
- 8.84 All applications for certification of Points of Principle of General Importance, whether made by you, us or the Assessor, must set out the exact wording of the Point of Principle of General Importance being sought and explain, in detail, the basis of the application.
- 8.85 Upon receipt of an application for certification of a Point of Principle of General Importance we will decide whether the matter should progress to the Costs Appeals Committee. We may refuse to refer an application to the Costs Appeal Committee where the proposed Point of Principle of General Importance:
- (a) would conflict with a provision of contract or legislation; or
 - (b) is not capable of forming a principle of costs assessment of general application,
- and our decision shall be final. We will give written reasons of any decision we make to refuse to refer such an application.
- 8.86 If we consider that the matter should proceed for certification to the Costs Appeals Committee then the matter will be listed for consideration by that Committee.
- 8.87 Applications for certification of Points of Principle of General Importance are, unless permission to attend is granted by the Chair of the Costs Appeals Committee, considered by that Committee on the papers only.
- 8.88 On considering an application under this provision in this Paragraph 8.88, the Costs Appeals Committee will either:
- (a) decide whether to certify the Point of Principle of General Importance sought and, where appropriate, amend any of the Assessments of the Assessor to give effect to this determination, or refer the matter back to the Assessor for him or her to do so; or
 - (b) determine that there is no Point of Principle of General Importance raised by the application before it and refuse the application accordingly.

- 8.89 You, where appropriate, we and/or the Assessor will be notified of our decision and/or that of the Costs Appeals Committee.
- 8.90 Any Point of Principle of General Importance certified by the Costs Appeal Committee, whether or not made under this Contract, is binding on all future Assessments carried out by us and any appeals in relation to such Assessments.

Final payments to Counsel and Experts

- 8.91 Where you instruct Counsel in relation to Licensed Work, other than work covered by Remuneration Regulations and subject to Category Specific Rules, you are responsible for claiming Counsel's fees as a disbursement, which will be subject to Assessment by us or by the court under this Specification. However, we will pay Counsel directly, save where any Category Specific Rules or individual case contract specifies otherwise and subject to any overall Costs Limit on the Certificate or Counsel specific limitation.
- 8.92 We may, however, introduce or pilot a requirement for:
- (a) Counsel and/or experts to claim their fees directly from us and to provide that no final payments shall be made to you, Counsel or experts until all claims have been received; or
 - (b) specific experts to be instructed by you pursuant to changes in legislation or the justice system.

Exceptional Case
